## Message from the Risk Manager

I cannot believe we are already well into December. This year has just flown by and while in some ways, I will be glad to see it go, there are still a lot of things to get done before we welcome in a new year. Remember, even joyful occasions and fun activities can become a chore if you are overextended. So, go ahead and plan in some unscheduled time to just rest and relax. Then you can really enjoy the things you "choose" to do instead of struggling through all the things you think you "should" do.

We are in the process of reviewing and updating our newsletter and the full issue will not be ready until January but we wanted to go ahead and get the training and events schedule to you. As always, classes are available to county employees at no cost. Defensive driving courses may be attended by immediate family members at a cost of \$5.00 to cover books and materials. Registration is required. If you are interested or need more information, please contact me or Jan. Stay safe and enjoy the holidays. We'll see you next year.

*Darlene*
