## **FOOTNOTES:**

- <sup>1</sup> Application must include a project narrative statement and site plan when requesting a revision to S-1, PUD, and PDD zoning districts. Please refer to Columbia County Code of Ordinances, Chapter 90, Section 90-182 for specific requirements.
- <sup>2</sup> A reason for request and supporting documents must accompany this application. Variances are heard in individual hardship cases of practical difficulty, where the special circumstances or conditions are such that the strict application of the provision of the Code of Ordinances would deprive the applicant of any reasonable use of their land. Loss in value alone does not justify a variance. (Use an additional separate sheet of paper if additional sections are requested.)
- <sup>3</sup> A reason for this request and supporting documentation must accompany this application. This is only applicable to properties within the Evans Town Center Overlay District (ETCOD), Corridor Protection Overlay District (CPOD), and Node Protection Overlay District (NPOD). (Use an additional separate sheet of paper if additional sections are requested.)
- <sup>4</sup> Please refer to Columbia County Code of Ordinances, Chapter 90, Section 90-55 for specific requirements of the Residential Cluster Overlay.
- <sup>5</sup> These districts require additional information to be submitted with an application. Please refer to Columbia County Code of Ordinances, Chapter 90, Section 90-182.
