

## **To All Employees:**

This Medicare Part D Notice must be posted so that all participants of the employee health insurance plan are aware of Medicare's requirement of notification. This notice is for information for anyone of Medicare age that may be interested in joining a Medicare Drug Plan. Columbia County's Employee Medical Plan has been deemed creditable. It contains both medical and prescription drug coverage and cannot be separated. Please direct any questions to the Human Resources department at 706-868-3307.

## **Important Notice from Columbia County Board of Commissioners About Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Columbia County Board of Commissioners and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at which cost, with coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Columbia County Board of Commissioners has determined that the prescription drug coverage offered by the Columbia County Employee Medical Plan is, on average for all plan participants, expected to payout as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is **Creditable Coverage**, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan. The Columbia County Employee Medical Plan includes both the medical coverage and prescription drug coverage.

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## **What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Columbia County Employee Medical Plan coverage will be affected. Columbia County's Employee Medical Plan contains both medical and prescription drug coverage. The prescription drug coverage cannot be separated from the medical coverage.

If you do decide to join a Medicare drug plan and drop your current Columbia County Board of Commissioners coverage, be aware that you and your dependents would be able to get this coverage back.

## **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with Columbia County Employee Medical Plan and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
