The County shall require the permit applicant to post a bond in the *form of government security, cash, irrevocable letter of credit, or any combination thereof* up to, but not exceeding, \$3,000.00 per acre or fraction thereof of the proposed land-disturbing activity, prior to issuing the permit. If the applicant does not comply with this article or with the conditions of the permit after issuance, or the bond, the County may call the bond or any part thereof to be forfeited and may use the proceeds to hire a contractor to stabilize the site of the land-disturbing activity and bring it into compliance. This surety will be released upon approval of final stabilization from the Environmental Services Department.
