RE: Georgia Security & Immigration Compliance Act

Dear Valued Vendor,

Effective July 1, 2013, the Georgia Security & Immigration Compliance Act requires contractors that provide labor or services to a public employer to register and participate in the federal work authorization program (E-verify). Therefore, we are required to obtain a signed, notarized affidavit from you verifying your compliance with this Act (see attached forms). If you feel that you are exempt from this Act, please provide us with a written explanation that is supported by the law (see Official Code of Georgia Annotated 13-10-91).

To enroll in E-Verify and obtain your company's EEV/E-Verify Company ID Number, visit www.e-verify.gov. Once you have your Company ID Number, complete the E-Verify Form, have notarized and submit to Columbia County according to the options below.

Please feel free to contact the Procurement Department at 706-868-3305 with questions or concerns regarding this matter.

Sincerely,

Columbia County Board of Commissioners
